Score a hand in 3 steps

1. **Trick points** for tricks bid above six: ♣/♦ 20 each, ♥/♠ 30 each, NT 40 first then 30.
2. **Add a bonus:** 100+ trick points = game (300 NV / 500 Vul); less = partscore (50). Slams add more.
3. **Adjust:** add overtricks; if you fail, the defenders score undertrick penalties.

1. Trick values (per trick bid and made)

Strain	First	Each other	Making 3
♣ / ♦ minors	20	20	60
♥ / ♠ majors	30	30	90
Notrump	40	30	100

Doubled: trick points ×2. Redoubled: ×4. Game contracts: 3NT, 4♥, 4♠, 5♣, 5♦.
